School Bond Election Today Most Important in History of City---Polls Open Till 8

VOTE TODAY

The polls are open at the school house until 8 o'clock tonight. Sierra Madre never had a more important school election than this one. Read about it—

Shall Sierra Madre have part time schools?

That seems to be the real question underlying the \$100,000 bond issue on which the district votes today.

The amazing growth of Sierra Madre's school enrollment makes part time sessions a certainty unless more class rooms are provided. The additional plant contemplated will be needed just as soon as the building can be erected.

Far Sighted Policy

It is to be regretted that the plans which the school trustees have presented could not have been available long enough for the voters to digest them thoroughly. They are well calculated to impress one with their wisdom with continued study. The vision of the trustees for the future must have the cordial approval of any one who has faith in the future of Sierra Madre and a desire that the children have adequate school facilities.

Three items may be taken up in considering the plans: Additional school rooms, auditorium, and more land.

The need for more school rooms will be admitted without argument. The eight-room unit is the largest item in the \$100,000 program.

The auditorium has been classed by some as a luxury, or as something that can be put off to some indefinite future time. The latter excuse will always be raised against such a proposal. But an auditorium is certainly not a luxury in connection with any sensible school plan. It is an essential which Sierra Madre should be ashamed for not providing long ago.

The need for more land should be just as apparent as the need for more class rooms. The present grounds are so fully occupied with buildings that too little playground room is provided. With more buildings to be erected there will be no place left for recreation except the adjacent streets.

In Safe Hands

There is no occasion for reviving old quarrels over school matters in connection with this bond proposal. There can be no possible bearing on the question. Without going into past differences of opinion, it may be said without equivocation that the expenditure of this bond money will be in safe hands. President Anderson of the school board has shown a clear vision of future needs and has worked in and out of season to bring them to the attention of the voters. Mr. Jensen is keenly interested in the school by reason of his own boys and an interest in child welfare; and is further a level headed business man. The two candidates for trustee, Mrs. Fletcher White and Mr. E. A. Calvert, are both perfectly "safe" and have many desirable qualifications. Mrs. White has had long experience in educational work. Mr. Calvert is interested as a parent and citizen, and is regarded as a capable business man.

High School District

Two propositions will also be passed upon for the Pasadena High School district of which Sierra Madre is a part. One provides for the establishment of a junior college. This does not involve bonds, but merely an extension of the high school work through two years of college work without much expense to the district. This is made possible by liberal state aid. The other

proposition is a bond issue for the high school district which is just as badly needed as are the extension of local school facilities. Both propositions seem to have sound backing.

Opposition Quiet

If there is opposition to the school bonds it is keeping very quiet, as usual. Nobody likes to be thought of as opposing public school interests. At the Chamber of Commerce mass meeting on Saturday night, Mr. Jensen presented the program. At the Parent-Teacher meeting on Monday Mr. Jensen, Mr. Anderson and Mr. Ewing of Pasadena high school were heard. While many questions were asked there was no outspoken opposition and no one had any real alternative plan to offer.

MISSIONARY MEETING

The regular monthly meeting of the Bethany Church Missionary meeting will be held at the home of Mrs. Uri Fox, 40 E. Laurel avenue, Tuesday afternoon, April 1, at 2:30. Mrs. J. H. Telford, the speaker, a missionary located at Keng Tung, Burma, should bring out a large number. Strangers are particularly urged to enjoy the sepeaker and get acquainted.

Sacred Music to Make Up a Fine Program

A most cordial invitation is extended to the community to attend the sacred musicale next Tuesday evening, April 1st, in the Church of the Ascension at 8 o'clock. Those who know Master Robert Mitchell's abilities as a pianiste will await with interest this talented young artist's debut as an organist. His numbers have been selected to show the skill in the manipulation of foot pedals and manuals and contrast in interpretations.

An added treat is promised in the appearance of Mrs. Howard Lieben, contralto, as artist guest of the evening. Mrs. Lieben will sing a beautiful setting of "Abide With Me," by Lyddle. Mrs. H. Randolph Wood, leading soprano of the choir, together with Mrs. James Hawks, contralto, will present in duet form, a setting of "Sun of My Soul" by Scott.

The work of the choir will embrace "The Radiant Moon Has Passed Away," (Woodward); a brilliant anthem, "O Pray for the Peace of Jerusalem," with Mr. Howard Lieben, baritone, singing solo leads, and contrasted to this, the sacred Lenten anthem, "O, Saviour of the World," sustained in movement with obligato solo part by Mrs. Hawhurst, soprano.

To Miss Frances Webster, organist, and director of the choir, who will play the accompaniments for the evening, is credited the arranging of this musicale. The offertory will be devoted to the piano fund of the Parish House.

Forest Fire Protection Is to Be Taught

The directors of the Angelus Forest Protective Association will hold their regular monthly dinner and directors' meeting in Sierra Madre on Tuesday evening, April 8. The directors represent every city along the Sierra Madre mountains and extend as far east as Claremont, west to San Fernando and as far south as Whittier.

The director of this association in Sierra Madre is L. D. Berg, secretary of the Chamber of Commerce, and he is in charge of the dinner and arrangements April 8th.

Fire crew leaders here are Messrs. Udell, Henderson, Odwarker, Mueller and Keys. Each crew leader has a picked force of men under his supervision.

Ten men from Sierra Madre will attend the practical educational work at Switzer's camp back of Mt. Lowe next Saturday evening and Sunday. All transportation has been furnished gratis by the Pacific Electric Railway and from this association some 400 men will be assembled.

The association will establish a free forestry school at the Pasadena Chamber of Commerce commencing April 7th, and the fire crew leaders from Sierra Madre will attend 100 per cent.

Through the Angelus Forest Protective association better protection than ever before will be given the nearby watersheds. This association admits that the greatest fire risk in the Angelus Reserve lies right back of Sierra Madre.

Mrs. Amelia Churchill has returned to Sierra Madre after an absence of nine years which she has spent in Connecticut. The lure of California was too strong to be resisted and she is again enjoying Sierra Madre which she finds much changed. She has quarters with Mrs. Nancy L. Beuhring at 247 San Gabriel Court.

One Contest In Sight for City Office

Only one contest has developed in connection with the election of city officials on April 14. Filing of nominations closed on Tuesday with three candidates for the two four-year trustee terms. For the other offices only one candidate appeared. The nominating petitions were for the following:

Trustee, 4 years: S. M. Karicofe, W. D. Richards, E. D. Topping.
Trustee, 2 years: E. H. Porter.
Clerk: Louis Dietz.

Treasurer: Carlton J. Pegler.
All are candidates to succeed themselves except Mr. Topping. He resigned from the board a few months ago and Mr. Porter was appointed in his place to serve until the next election. Mr. Porter now has no opposition for re-election.

Wistaria Fete Great Boon to Club and City

Because the heavy and continued downpours of Sunday and Wednesday necessitated the temporary closing of the festival for those days, it has been decided by the managing committee in charge of the Wistaria Fete, to continue it over Sunday. After that time, the Fennels, assisted by special hostesses from the Woman's Club, will still hold the grounds open to visitors.

Though the beautiful showers made it necessary to close the gates for a while, they could not dampen the ardor of the women who have conducted the affair. Nor did the rain check the steady flow of visitors. More than 20,000 people, not counting townfolk, have seen and admired the wonderful wistaria vine at the Fennel home during the past two weeks. Not only have they seen the vine, but they have caught the spirit, the charm and beauty of Sitra Madre. The big register, kept on the grounds, carries the names of people from all sections of the United States as well as strangers from foreign countries—Norway, Denmark, Alsace, South Africa, England, Ireland, South America and New Zealand.

Even on Sunday when the gates were closed the cars streamed in, braving the rain storm and making the loop of Scenic Point. The special officer on duty estimates that at least 1500 outside visitors were here that day.

The setting of the Fennel home, the majestic view of mountain and valley afforded from that that section of Sierra Madre, have been noted and favorably observed by everyone. The big vine has been at its best throughout the two weeks and even yet is a thing of beauty. The surrounding booths, with their attractive displays, have not been overlooked, and the ladies have realized handsomely in the sale of post cards, colored photos, pictures, home-made candies, handwork of every description, flowers, plants, fruits, books and art souvenirs. Luncheons, too, have been served to overflowing crowds almost every day of the fete. These have offered opportunity for many parties and social affairs.

An average of 500 of the Wistaria post cards were purchased every day by visitors. These, sent broadcast, have brought more visitors, as they carried the message of Sierra Madre's beauty and of Sierra Madre's charm, as well as an invitation to see the big vine.

The Wistaria Festival has been of incalculable value to Sierra Madre. It has attracted the very finest and best class of visitors to the city. Not a few of these will invest here. Many of them spoke an absolute determination to make their homes here.

To carry on the affair and meet the expenses of the fete, the enterprising ladies of the woman's club have paid out the neat sum of \$1300. Practically all of this was spent here. No true estimate can be made of the work the women have given in making the affair a success. The loyalty, devotion, faith and untiring zeal manifested by the workers who have "carried on" day after day in spite of inclement weather and numerous difficulties, is a matter of congratulation from all of Sierra Madre.

The goodness and kindness of the Fennels in practically giving up their home and grounds and smilingly meeting all manner of inconvenience during the season of the festival deserves the gratitude of everybody.

STEPPING OUT

A negro went into a hardware shop and asked to be shown some razors, and after critically examining those submitted to him, the would-be purchaser was asked why he did not try a "safety," to which he replied: "I ain't looking for that kind; I want this for social purposes."

Water Bonds to Determine Future Growth and Welfare of City---Vote Next Tuesday

Two roads lie before Sierra Madre and the parting of the ways comes next Tuesday with the water bond election. One is the road of normal, healthy growth stimulated by that which is needed by all growing things—water! The other offers a dry, dusty prospect, with growth checked and stunted because we do not make use of the water which belongs to us.

If the water bonds are defeated it will be by over-confidence. Pretty nearly everyone says:

"We must have water and plenty of it. Of course the water bonds will carry."

Expert Advice

In preparing the city water program the city trustees called in the best engineering advice available, Willis S. Jones of Claremont. His report is a remarkable compilation of records and information gained by minute study of the field. It is far too lengthy for publication. The substance has been given from time to time in the News and by speakers at various public meetings—Superintendent Henderson, Engineer Gierlich, Mayor Mitchell, and Mr. Jones

Phone Books Out of Date After Sunday

"The present or January Los Angeles county telephone directory will be superseded on Sunday, March 30, by a red covered book bearing that date. Do not use the old directories after March 30.

"Due to the enormous number of books to be printed and delivered—340,000, or 650 tons of them—it will be impossible to complete distribution in one day."

This was the message today of O. E. Emley, local manager of the telephone company, to the people of Sierra Madre.

"You should destroy the old directory," he said, "as soon as the new one is received."

The Los county directories now in the hands of subscribers will be obsolete after midnight, March 29, because the new and simplified method of operation will go into effect then. A call to Los Angeles using one of the old numbers after that date will result in service interference, according to Manager Emley.

So, before placing any call to Los Angeles after March 30, if one of the new directories is not at hand, the Sierra Madre user should call "Information" and make sure of the proper number.

FIRE FIGHTING NEEDS OF CITY ARE DISCUSSED

Intensely practical points in fire protection were given by Fire Chief Stevens of Monrovia at the Chamber of Commerce luncheon at the Sierra Madre Cafe on Tuesday. Mr. Stevens told of the experience of Monrovia in going through the stage of volunteer fire departments and the development of a paid force. He urged the employment of at least one paid man and two as soon as possible. This would assure better protection and the economical care of the city's expensive fire equipment. By reason of the illness of Tom Henderson, City Clerk Dietz presided.

Chief Charley Kelly of the Pasadena Police department will be the speaker at next Tuesday's luncheon. No need to say there will be a scramble for seats.

Mrs. George Humphries returned home last week after a fortnight's stay with her daughter, Mrs. Arthur Pratt of Los Angeles.

himself. No real alternative program has been proposed.

In general Mr. Jones follows the same lines proposed by William Mulholland a number of years ago, and also the verdict of J. B. Lippincott. Both of these men said that while it was desirable to develop as much gravity water as possible in the mountains, the great dependable supply must be found in the Santa Anita basin. That means it must be pumped.

Water Possibilities

In the Santa Anita basin Sierra Madre has the absolute right of an overlying owner to sufficient water for a population of 25,000, according to Mr. Jones. The present wells are adequate for a long time to come. The present problem is with the distributing system.

Large areas in Sierra Madre are without water, or have such an intermittent supply as to work a grave injustice to taxpayers in those sections. The Sierra Madre water system has been developed from a network of pipes laid for irrigation and not for a townsite closely subdivided. As a result many streets are without mains. Existing mains are not properly arranged to provide proper circulation and equalized pressure. Excellent work in this direction has been done by all the superintendents during the period of great growth. But it could not be done adequately out of water revenues.

Distribution Improved

Mr. Jones' program provides for zoning the town into three districts according to elevation to provide proper pressure and distribution. The reservoir on East Mira Monte avenue is to be increased to 1,500,000 capacity. Another reservoir of 500,000 capacity is to be built at 1330-foot elevation, above the Fennel and Gregory homes.

Mains will be constructed west from Carter avenue to Fairview avenue and south to Sunnyside, covering much of the territory in the northwest part of town not now served. Adequate mains will be installed on practically all streets where no mains now exist. Changes are made in the transmission system to provide for the maximum gravity flow, and to reduce pumping charges to a minimum.

Mountain development recommended by Mr. Jones includes the pursuance of further tunnel work and bulkheading of tunnels to conserve the flow from winter months into spring and summer.

City Growth

Conclusive evidence of the absolute need of expanding the water program of the city is shown in the growth of number of water meters since 1915. There is no reason to doubt the continued growth of the city.

PROGRAMS FULL OF INTEREST AT WISTARIA

What is the N'th Commandment? If you have any additions to suggest for the original ten, what are they? This interesting field of speculation is opened up by the film version of Fannie Hurst's great story which comes to the Wistaria theater next Sunday matinee and Monday evening. It is a gripping story of New York life in varied society strata. The same combination of author and production which made "Humoresque" great is responsible for the N'th Commandment.

From a hall bedroom and a department store clerk to the palace of a South American republic is the transition when "Mr. Billings Spends His Dime." The film of that title which is to be shown Tuesday and Wednesday is one of the funniest seen there. When Billings, the ribbon clerk, who used to tremble at

WILSON WILL GIVE PROGRAM IN ENGLISH

Singing of good music in English is an objective toward which an increasing number of good musicians have been directing their efforts for years. That is one of the reasons governing the choice of songs for the program to be given next Friday night, April 4, by Gilbert Wilson,

the floor walkers' frown, saw a hundred rifles pointed at him—when the lovely senorita clung to him with soft arms and whispered, "Save me, brave Americano,"—what did Billings do?

On Tuesday and Friday of next week the offering is Elinor Glyn's "Six Days," with Corrine Griffith and Frank Mayo.

The offering tomorrow (Saturday) is "The Range Patrol," a thrilling, daring dramatic portrayal of life along the Arizona border.

formerly of New York and Chicago grand opera companies.

Mr. Wilson will present several groups of songs which offer sufficient variety to suit every taste. One or two of his own composition are of particular interest. One entitled "Shade," he sings as a companion piece to Oscar Rasbach's "Trees," with excellent effect. The accompaniments for this recital will be played by Mrs. Hazel Hill Morgridge.

Tickets for the recital are said to be selling rapidly, all seats being reserved at the Hartman drug store at the uniform price of 75 cents. The affair is under the auspices of the Congregational Ladies' Aid Society the profit going to the church building fund.

Mr. Wilson has been heard with great pleasure on one or two occasions in Sierra Madre, and has been accorded the most cordial recognition by eastern music critics. The promotion of good singing in English has been a hobby with him for a long time.

NOTICE OF PUBLIC WORK

Public notice is hereby given that on Thursday, the 28th day of February, 1924, the Board of Trustees of the City of Sierra Madre, California, did, at its meeting on said day, pass a Resolution No. 172 declaring its intention to order the following street work to be done, to-wit:

Section 1. That the public interest and convenience require and that it is the intention of the Board of Trustees of the City of Sierra Madre, State of California, to close up, vacate and abandon for street purposes all that portion of Camillo Street, in said City of Sierra Madre, described as follows, to-wit:

Commencing at the Southwest corner of Lot No. 2 of the Camillo Guercio Tract, as per map recorded in Map Book 11, Page 120, Records of Los Angeles County, California; thence North no (0) degrees two (2) minutes West 200 feet along the West-erly line of said Lot 2 to the North-west corner of said Lot 2; thence West 20 feet; thence South no (0) degrees two (2) minutes East 200 feet; thence East 20 feet to the point of beginning.

Section 2. That the exterior boundaries of the district of lands to be benefited by said work or improvement and to be assessed to pay the damages, cost and expenses thereof are described as follows:

Commencing at the Southwest corner of Lot No. 2 of the Camillo Guercio Tract, as per map recorded in Map Book 11, page 120, Records of Los Angeles County, California; thence Easterly along the Southerly line of the said Camillo Guercio Tract to the Southeast corner of Lot No. 3 of said Camillo Guercio Tract; thence North-erly along the East line of said Lot No. 3 to the Northeast corner of said Lot No. 3; thence Westerly in a direct line to the Northeast corner of Lot No. 4 of Tract No. 1360 as per map recorded in Map Book 21, page 121, Records of Los Angeles County, California; thence South along the East line of said Tract No. 1360 to the Southeast corner of said Tract No. 1360; thence Westerly in a direct line to the point of beginning.

Reference is hereby made to said Resolution of Intention No. 172 on file in the office of the City Clerk of said City of Sierra Madre for further particulars. A. M. UDELL,

Street Superintendent of the City of Sierra Madre.

WALNUT MEN JOINING IN FIELD WORK

In accordance with the plans
adopted by the Walnut Growers De-
partment of the County Farm bureau
for the coming year's work, a series
of field demonstrations for the benefit
of walnut growers in the principal
producing areas of the county is to
be held during the week April 15 to
19, inclusive.

The demonstrations which will be
conducted by Farm Advisor Hodg-
son and W. B. Hoopes, extension
specialist in walnut culture, will deal
especially with the treatment of
trunk and root diseases of the wal-
nut, in particular crown gall, Mel-
axuma or black sap, and crown rot,
sometimes popularly referred to as
"heart failure," will receive attention.
An additional feature of the series
will be the demonstration of the
methods of walnut inarching for the
purpose of supplying new roots to
diseased trees where such are neces-
sary.

Demonstrations will be held at El
Monte, Whittier, West Covina, and
Pomona. The dates and locations
for the meetings will be announced
later.

Why pay tribute to a Superstition?

The idea that "eastern" motor oils—merely because they cost more—
are in some mysterious way "better" is just as baseless as the super-
stition about the black cat crossing the road, illustrated above.

Automotive engineers have long recognized that the most suitable
crude petroleum so far discovered from which to manufacture a motor
oil is produced on the Pacific Coast. It is Naphthenic Base Crude.

"Thinning Down" an Advantage

The motor oil (Zerolene) which is refined
from this crude has characteristics some-
what different from those of eastern
paraffine base oils. It "thins down" more
rapidly for one thing, and this fact is of-
ten cited against it. But this is really an
advantage instead of a defect. Because
it thins down more rapidly, it reaches an
effective lubricating body sooner, and fol-
lows more closely the changing bearing
clearances of the engine as it warms up.

Highway Commission Finds the Facts

Some time ago the engineers of the Cali-
fornia State Highway Commission de-
cided to subject this anti-western bogie
to the brutal test of actual comparison.
Read the summary of these tests, printed
in the 1921 Biennial Report of the Cali-
fornia State Highway Commission:

"Although thinning out more rapidly, the
(western) oil does not show any greater
breaking down under high working tem-
peratures than the (eastern) oil, nor was
there any greater deposit of carbon. Nei-
ther did the viscosity after use increase or
decrease any more in the case of one than
in the other."

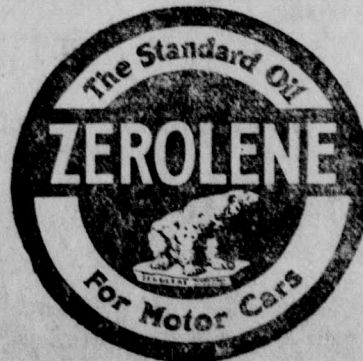

A Better Oil Even if It Does Cost Less

Zerolene, because we employ only se-
lected crude and hold the patents on
our high-vacuum refining process, is,
we are convinced, one of the most care-
fully manufactured oils on the market,
whether of eastern or western origin.
Yet it costs about one-third less than
eastern oil.

In seven years the sales of Zerolene
have increased seven-fold. The more
experienced the motorist, the less likely
he is to pay tribute to a superstition.
He insists on Zerolene even if it
does cost less.

NOVEL COMEDY ROLE PLAYED BY MAC LEAN

What is considered the most novel comedy role yet brought to the screen by the popular Douglas MacLean is that of Dudley Ainsworth in his newest production, "The Yankee Consul." This latest of MacLean's merriest comedies comes to the Colonial at Monrovia next week. Just when life falls on the rich and indolent young New Yorker, he enters into a wager with one of his club cronies that he can work steadily for one solid month and begins his grind when the unexpected happens.

A pretty girl crosses his vision and she not only seems in great peril but he seems to take quick cognizance of the fact that he is the very man to become her champion. Then again he is found to be far at sea on the very same boat with the young woman and finds himself in a pretty pickle. No funds with him but possessed of the credentials and passage of the Consul to a post in South America. The development of the plot is even funnier than "Going up," in which MacLean made such a hit.

VOTERS MUST STATE PARTY

Voters who desire to participate in the presidential primaries in May must name their party preference at the time of registering, according to announcement of County Registrar Lyons. It is no longer permissible to register as "party not stated" and declare your preference at the polls on primary election day.

Registrations have closed for the city elections in April. It is still possible to register for the presidential primary.

The Masonic Lodge entertainment committee has decided upon Saturday, April 26, as the date for the annual ball of that organization. It will be held at the Woman's Club house as usual. The event has become so popular that invitations are always in demand.

FOOTHILL PIECE SOLD BY LOGAN

James C. Logan reports the sale of two and one-half acres of land adjoining the Fennel property on the west to a Chicago man who expects to improve it in the near future. The land lies on the north of the westerly extension of Carter avenue, partly on the knoll and partly in the valley. Mr. Logan, who resides at 90 South Hermosa, is a real estate specialist with offices at 626 E. Colorado, Pasadena. The crowds attending the Wistaria Fete have included many people who showed keen interest in the high foothill real estate, the desirability of this class of property becoming apparent as it becomes scarcer.

The Ladies' Aid society of the Congregational church will meet Tuesday, April 1, at 2:30 in the church parlors. Mrs. Caskey and Mrs. Lord will be the hostesses. Every member and every friend of the church is cordially invited to attend.

Miss Bernice Conn of Long Beach is spending this week at the Richards home, 58 W. Grand View.

IOWA REALTOR WINTERS HERE

Mr. and Mrs. E. R. Wood of Jefferson, Iowa, are spending the winter at the home of their son, H. L. Wood, of 265½ Mariposa avenue. Mr. Wood senior, who is mayor of the thriving county seat town which is his home, has been in the real estate business 25 years and brought up his sons in the same business. H. L. Wood has been very active in the Inglewood district and since coming to Sierra Madre recently has been dividing his time between Inglewood and this neighborhood.

Shall the City of Sierra Madre incur a bonded debt of \$80,000.00 for the acquisition, construction and improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants and for irrigating purposes therein?	YES	
	NO	

said Board of Trustees on said 14th day of February, 1924, at said meeting of said Board of Trustees, and was duly published on the 15th day of February, 1924, in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated in said City of Sierra Madre; and

WHEREAS the estimated cost of said municipal improvements is the sum of Eighty Thousand (\$80,000.00) Dollars, and such cost of said municipal improvements is, and will be, too great to be paid out of the ordinary annual income and revenue of said City;

SECTION 2: Now, Therefore, a special election is hereby called to be held in the said City of Sierra Madre, California, on the 1st day of April, 1924, for the purpose of submitting to the qualified voters of said City the proposition of incurring a bonded debt in the sum of Eighty Thousand (\$80,000.00) Dollars for the purpose set forth in said Resolution and hereafter stated.

SECTION 3: That the object and purpose for which said indebtedness is proposed to be incurred is for the acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein.

That the estimated cost of said proposed public improvements is Eighty Thousand (\$80,000.00) Dollars. That the amount of the principal of the indebtedness to be incurred therefor is the sum of Eighty Thousand (\$80,000.00) Dollars, and that the rate of interest to be paid on said indebtedness is five (5) per cent per annum. That if the proposition of incurring said indebtedness for said purpose, so submitted at said election, receives the requisite number of votes, to-wit: the votes of two-thirds of all the voters voting at such special election, bonds of said City of Sierra Madre in the sum of Eighty Thousand (\$80,000.00) Dollars shall be issued and sold for said purpose.

Said bonds shall be Eighty (80) in number and shall be issued in the denomination of One Thousand (\$1,000.00) Dollars each, and the principal and interest thereon shall be payable in lawful money of the United States.

They shall be dated May 1st, 1924, and bear interest at the rate of five (5%) per cent per annum, payable semi-annually on the 1st day of No-

vember and the 1st day of May of each year. And said eighty (80) bonds shall be paid in the manner following:

Two of said bonds shall be paid on the 1st day of May, 1925, and two of said bonds on the same day and date of each and every year thereafter, at the City Treasury of said City of Sierra Madre, together with the interest on all sums unpaid at such date.

SECTION 4: That for the purpose of paying the principal and interest on such bonds the Board of Trustees of said City shall at the time of fixing the general tax levy, and in the manner for such general tax levy provided, levy and collect annually, each year, until said bonds are paid, or until there shall be a sum in the treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on such bonds, a tax sufficient to pay the annual interest on such bonds, and also such part of the principal thereof as shall become due before the time for fixing the next general tax levy.

Said tax shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and be used for no other purpose than the payment of said bonds and accruing interest.

SECTION 5: The polls for said election must be opened at 6 o'clock a. m. of the day of election, and must be kept open until 7 o'clock p. m. of the same day, when the polls shall be closed; except and provided, however, that if at the hour of closing there are any other voters, in the polling place or in line at the door, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote. But no one who shall arrive at the polling place after 7 o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

The ballots to be used at such election shall be printed substantially in the following form:

Food Sale Saturday

The ladies of St. Rita's Altar Society will conduct a food sale at Welscher's store on Saturday, March 29. These food sales are always very popular. Through a typographical error the sale was announced for last Saturday, causing some misunderstanding and an apparent conflict with the Wistaria Fete activities. It will be held tomorrow without fail.

President of said Board at a regular meeting thereof held on the 13th day of March, 1924, and that the same was passed by the following vote, to-wit:

Ayes: Trustees Karicofe, Richards, Sparks, Porter and Mitchell.

Noes: None.

Absent: None.

In witness whereof I have hereunto set my hand and affixed the seal of the City of Sierra Madre, California, this 13th day of March, 1924.

(Seal) L. DIETZ,
City Clerk of the City of Sierra Madre, California.

Woman's Club Notes

The Wistaria Fete is drawing to a close and it has proved to be a greater success in every way than had been anticipated. Mr. and Mrs. Fennel have generously offered to keep the grounds open over Sunday so that the many people who have been disappointed may see the vine.

Luncheon will be served through Saturday. On Sunday sandwiches and coffee and perhaps pie will be served, but no attempt will be made to prepare hot luncheon.

Drama Section

The first rehearsal for the Shakespearean Pageant will be held at the club house next Monday, March 31, at 2 o'clock. All members of the cast and of the executive staff must be present to get final instructions. On Wednesday, April 2, at 2:00 o'clock a rehearsal will be given at Glendale.

The proceeds from the Shakespearean Pageant day at the fete, March 28, will be used to defray the expenses of the pageant as given at the General Federation convention April 9th.

There was a young woman named Lilly,
Who slew her man with a billy.
The jury said no
We won't let her go.
Now doesn't that seem rather silly?
—Whit Greenleaf.

"It is sure tough," sighed Elloise Entree, one of the girls who helped make the movies what they are today. "Here I have been working myself sick to build up a reputation and along comes a woman that is my exact type with a maid and a press agent and cops all the big stuff and now I either got to quit or change my type. We queens sure have it rough."

Some of the depression which is reported in various parts of the country might be traced to the absence of a fad. Couie has had his day, Radio is getting to be a household necessity, King Tut has turned over and gone to sleep again and nothing has appeared to take their places. Life is getting entirely too serious. Let's have another fad and prosperity.

NOTICE OF ELECTION

Notice is hereby given that a General Municipal Election will be held in the City of Sierra Madre, California, on Monday, the 14th day of April, 1924, for the following officers:

2 members of the Board of Trustees, for the full term of four years,
1 member of the Board of Trustees, for the short term of two years,

Scored Ice

MODERN methods—improvements in manufacture—new inventions—have all contributed to the present high standard attained in the manufacture and delivery of ice.

With each important new step this company has striven to improve both the quality of its product and its service.

The latest addition to our equipment is the new "scoring machine" which is now being successfully used throughout the East.

This machine takes each 300 pound block of ice as it passes down the runways and scores it to a depth of one or two inches, as shown in the illustration—marking it exactly into twelve 25 pound divisions.

We have installed this machine because we believe it will make for greater accuracy in measuring the ice (especially with less experienced drivers), because it is an added insurance to our customers of full weight and because it will enable us to give speedier and better service wherever it is used.

RESOLUTION OF INTENTION NO. 174

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF SIERRA MADRE DECLARING ITS INTENTION TO IMPROVE A PORTION OF ALEGRIA AVENUE IN THE CITY OF SIERRA MADRE AND DECLARING SAID WORK OR IMPROVEMENT TO BE OF MORE THAN LOCAL OR ORDINARY PUBLIC BENEFIT AND DESCRIBING THE DISTRICT TO BE BENEFITED BY SAID WORK OR IMPROVEMENT AND TO BE ASSESSED TO PAY THE COSTS AND EXPENSES THEREOF AND DETERMINING THAT SERIAL BONDS SHALL BE ISSUED TO REPRESENT SAID COSTS AND EXPENSES AND FIXING A TIME AND PLACE FOR HEARING OBJECTIONS TO SAID WORK OR IMPROVEMENT OR TO THE EXTENT OF THE DISTRICT TO BE ASSESSED OR BOTH.

The Board of Trustees of the City of Sierra Madre do resolve as follows: Section 1. That the public interest and convenience require and that it is the intention of the Board of Trustees of the City of Sierra Madre to order the following street work and improvement to be done, to-wit:

ALEGRIA AVENUE

between the Western line of Sunny-side Avenue and the Eastern line of Sierra Madre Avenue including all terminations with terminating streets and alleys be improved by certain grading and by the construction of certain two (2) inch oiled macadam walks, reinforced concrete culvert, and concrete gutters, except where cement curbs, cement sidewalks and concrete gutters have already been constructed and are now to the official line and grade of the streets, as shown on Special Improvement Plans hereinafter referred to.

Section 2. That all of the work aforesaid shall be done in accordance with and to the grades shown on Special Improvement Plans, Cross-sections and Profiles No. 105 on file in the office of the City Engineer of the City of Sierra Madre and in further accordance with Special Specifications for said work on file in the office of the City Clerk of said City, adopted by the Board of Trustees of the City of Sierra Madre by Resolution No. 173 of said city. Said Special Improvement Plans, Cross-sections and Profiles and Special Specifications are hereby referred to for full and detailed description of said proposed work or improvement, and for the description of the grade to which the work is to be done and are made a part hereof.

Section 3. That said contemplated work or improvement in the opinion of the Board of Trustees of said City of Sierra Madre is of more than local or ordinary public benefit, and said Board of Trustees hereby makes the expense of said work or improvement chargeable upon a district, which district said Board of Trustees hereby declares to be the district benefited by said work or improvement and to be assessed to pay the costs and expenses thereof; which said district is bounded and described as follows:

All that portion of said City of Sierra Madre included within the following described exterior boundary line, to-wit:

Commencing at the Northeast corner of Lot No. 19 of the Wheeler Heights Tract, as per map recorded in Map Book 8, page 5, Records of Los Angeles County, California; thence Westerly in a direct line to the Northwest corner of Lot No. 15 of said Wheeler Heights Tract; thence Westerly in a direct line to the Northeast corner of Lot No. 12 of the Gurhardy Heights Tract, as per map recorded in Map Book 13, page 188, Records of Los Angeles County, California; thence Westerly in a direct line to the Northwest corner of Lot No. 22 of said Gurhardy Heights Tract; thence Southerly in a direct line to the Southwest corner of Lot No. 23 of said Gurhardy Heights Tract; thence Easterly in a direct line to the Southeast corner of Lot No. 33 of said Gurhardy Heights Tract; thence Easterly in a direct line to the Southwest corner of Lot No. 14 of the aforesaid Wheeler Heights Tract; thence Easterly in a direct line to the Southeast corner of Lot No. 10 of the said Wheeler Heights Tract; thence Northerly in a direct line to the point of beginning, excepting from said district any portion of any public street or alley which may be included therein.

The above description is general only. A map of said district indicating by a boundary line the extent of the territory included in the proposed district, Numbered 106 adopted by the Board of Trustees by Resolution No. 173, on Thursday, the thirteenth day of March, 1924, is on file in the office of the City Engineer of said City. Reference is hereby made to said map for a further, full and complete description of said assessment district. The said map on file shall govern for all details as to the extent of the said assessment district.

Section 4. The said Board of Trustees also determines and declares that serial bonds bearing interest at the rate of seven (7) per cent per annum shall be issued to represent each assessment of Twenty-Five (25) Dollars or more remaining unpaid for twenty days after the date of the warrant. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the fifteenth (15) day of the next November following their date. Payments on the principal of unpaid assessments and interest shall be made by property owners to the City Treasurer and the same shall be disbursed by him, all as provided in the said "Improvement Act of 1911."

Section 5. Notice is hereby given that on Thursday, the 10th day of April, 1924, at the hour of 7:30 o'clock P. M. of said day, in the Council Chambers of the Board of Trustees of said City of Sierra Madre in the City Hall of said City, located in Room F, Kersting Court in said City, any and all persons

TRUCK CROPS TAKEN UP BY FARM BUREAU

Following a report submitted by special truck crop representatives, the directors of the Los Angeles County Farm Bureau announced the launching of a new department dealing with the truck crop industry of the county.

Directors to serve on the Executive Committee of the new organization for the balance of the year and representing the different truck crop sections have been appointed as follows: J. G. Showalter, Van Nuys; A. J. Mueller, Van Nuys; W. V. Stahl, Eagle Rock; G. A. Allard, Zelzah; E. D. McSweeney, El Monte; D. L. Frampton, Artesia; T. H. Lambert, El Monte; J. D. Clemison, El Monte; Roy E. Campbell, Alhambra; P. I. Klingerman, El Monte; L. D. Pitzel, Baldwin Park. As advisory members: H. L. Musser, Los Angeles; R. G. Musser, Los Angeles; and R. H. Gast, Los Angeles.

Truck crop growers of Los Angeles county are confronted with many special problems at the present time such as those arising from the change in the leasing law relative to orientals, the present water shortage, and others. In order to meet these problems adequately and work out a satisfactory program for the current year, a special meeting of the directors has been called for Tuesday, April 1, at 10 a. m., at the office of the Farm Advisor.

It is reported that several prominent politicians are ready to dispute the old adage to the effect that oil will quiet troubled waters.

having any objections to said proposed work or improvement or to the extent of the District to be assessed, or both, may appear before said Board of Trustees, and show cause why said proposed improvement should not be carried out in accordance with this resolution.

Section 6. All the proceedings for the aforesaid improvement and for the issuance of said bonds shall be had and taken under and in accordance with an Act of the Legislature of the State of California, known and designated as the "Improvement Act of 1911," approved April 7, 1911, and under all Acts supplementary thereto or amendatory thereof.

Section 7. The Superintendent of Streets shall immediately post or cause to be posted conspicuously along the line of said contemplated work or improvement and along all of the open streets within the district liable to be assessed, notices of the passage of this Resolution in the manner and the form required by law.

Section 8. The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published twice in the Sierra Madre News, a weekly newspaper published and circulated in said City of Sierra Madre and hereby designated for that purpose.

Adopted and approved this 13th day of March, 1924.

ROBERT MITCHELL,
President of the Board of Trustees.

School Pupils Tell Reasons for the Bonds

Pupils of the public school have been writing essays and verse this week, telling why the proposed bond issue should carry. Many excellent examples were brought to the News office which it would be a pleasure to print. Room could be found for only the following:

VOTE "Yes" TODAY (By Dorothy Moote)

You are asked to vote "Yes" on school bonds today. One hundred thousand dollars is needed, they say. We want an auditorium and eight class rooms, too. We look to you people to put the thing through. A good education we kiddies all need. To keep our gray matter from going to seed. To have this we need a full day at our lessons. This we will not get if we have half day sessions. So we look to you people to help put this through. As we feel all good citizens ought to do. We are proud of our town, we are proud of our state, So vote "Yes" on school bonds on March twenty-eight.

TO THE VOTERS

(By Margaret Pinkerton)
Dear Voters of Sierra Madre: We need more room! Are you voting "Yes" at the bond election March 28, or are you against it?

We need more school room and if you built a new school house on the old grounds where would the children play? If the larger children played on the little folks' side, some one would be getting hurt, either large or small, for the grounds aren't very large on the kindergarten side.

We also need an auditorium, in which to hold the graduating exercises, for the Woman's Club house is too small. When the older grades sing or are in some play there is hardly any room for the parents. If we had the auditorium the Parent-Teachers would have a larger and better place to meet.

If you vote "Yes," we can buy the lots up on Grand View avenue and have our auditorium, new school house and play grounds. We also need some more apparatus on both the girl's and the boy's play grounds. We also need better lights in the rooms. In some rooms, on rainy days, we can hardly see, even with the electric lights.

Next year we may have to go to school half a day if we do not get more rooms, and if very many more children come to Sierra Madre.

That will call for more teachers and the children will be worse off, for they will not get half their education.

Be a booster and vote for the school bonds.

BILL MICHAEL PUTS UP FINE STORE ROOM

W. T. Michael, proprietor of "Bill's Place," at the corner of Mountain Trail and Sturtevant Road, has outgrown the little building where he started in business with a lunch counter and a few cases of canned goods two years ago. He is going to move across the street pretty soon. And it will be into his own new building which he is erecting on the west side of Mountain Trail, directly facing Sturtevant Road. Feeling the need of assistance as well as more room, Mr. Michael recently took his son into the business with him. They have bought the whole corner, running north to Mira Monte with a frontage of more than 200 feet on each street. The property includes the fine bunch of eucalyptus trees which will be just north of the store. Benches and properly supervised picnic accommodations will be provided there.

LINCOLN NOW IN SHOW ROOM

Milton Steinberger is "pointing with pride" this week. So are his employees in the Sierra Madre Garage. The justifiable object of their pointing is a beautiful Lincoln Touring car in the display room. With a Lincoln and the whole Ford family in stock Mr. Steinberger feels as if it were a long time since he was cautioned against the risk of starting the first garage in Sierra Madre and carrying even one Ford on hand.

RADIO PROGRAM IS HEARD AFAR

Sierra Madre's radio program broadcast from the Los Angeles Examiner last Friday night was successful from every angle, except that insufficient time was given for the program which had been prepared. An hour was the time allotted but the first quarter of the time was taken up by a "health talk" which cut out a portion of Sierra Madre's numbers.

Sierra Madre's reputation as a musical center was fully sustained by the performers. Songs were given by Miss Laura Cadmus, Mrs. Howard Lieben and Mrs. J. S. Clarkson; violin numbers by H. Randolph Wood and Miss Zubrinsky; piano numbers by Master Bob Mitchell; accompaniments by Mrs. Wood and Mrs. George B. Morgridge. Interesting talks were given by Mayor Robert Mitchell and Dennis H. Stovall.

Through the co-operation of the Woman's Club and G. I. Farman of the Sierra Madre Electric company a splendid opportunity was given the public of hearing the program at the club house. One of the new superheterodyne Radiolas was installed with loud speaker and gave a fine example of the improvement in radio reception.

That the program was heard many miles away has been attested by messages received from former residents. Among them is a postal card received by F. H. Hartman from J. R. Bransby, now a druggist at Imperial, California. Another is a letter received by Mayor Mitchell from Angela Hopper, city clerk of Boise, Idaho, who says the program was distinctly heard in Boise and brought back to her pleasant memories of visit to Sierra Madre.

VISITORS TO FILL PULPIT NEXT SUNDAY

Dr. Fred Vining Fisher of Washington, D. C. will speak next Sunday morning in the Congregational church on the need for an educated ministry. Dr. Fisher is a scholar of renown, an interesting speaker, and represents the Pacific Theological Seminary at Berkeley.

At the evening service Dr. Alfred C. Wright of Claremont, a missionary for 37 years in Mexico, will speak on "The Evolution of Mexico." This meeting is held under the auspices of the Missionary society of the church. Mr. Wright is one of the founders of the Colegio Internacional at Guadalajara, Mexico, and is spending the winter in Claremont. A cordial invitation is extended to all the people of Sierra Madre to attend these services.

Mrs. Otis Lockhart, Mr. and Mrs. Ned Manning and Mr. and Mrs. J. Lawless were Sunday guests of Mrs. T. J. Mason at the Hershey Arms apartments, Los Angeles. They had the privilege of hearing Frederick Warde during the evening.

Why Radio Sermons Are Very Popular

The village tightwad was listening in on the radio at the home of a friend of his. It was Sunday morning and the sermon from the Shady Avenue Baptist church of Pittsburgh, Pa., was being broadcast.

All at once he took the headphones from his ears and started to leave the room. "What's your hurry, Hiram?" demanded Mr. Brown. "Don't you like the sermon?" "Sermon's all right," said Hiram, "but he just announced they were going to take up the collection. Guess I'll be going."
